REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Whitmire Community School is a PreK-12 facility located in northern Newberry County. The school has been referred to as the hidden secret of the Sumter National Forest. In 2003, Whitmire Elementary (PK-6) and Whitmire High (7-12) joined together to form one school with one mission. WCS is accredited by the Southern Association of Colleges and Schools, a South Carolina Reading First School, and an SREB/SDE High Schools That Work site. The Palmetto Gold & Silver Awards Program recognized the elementary school (2006-2007) and the high school (2005-2009). WCS was also recognized as Summa Cum Laude by the SDE for SAT performance.

Our classroom instruction is based on South Carolina curriculum standards with our focal point being reading and writing instruction. Reading and writing instruction is integrated across all content areas and the responsibility is equally shared by all of our teachers, students, parents, and the community. Teachers across all content areas recognize "Writers of the Month" each quarter at the success assemblies. Family message journals, the Wee Deliver Postal System, author visits, Family Read-in Night, Reading with the Wolverines, and Read Across America Week provide authentic writing and reading opportunities throughout our school and community. The school was successful at hosting its first Math and Science Night for all students and parents to promote standards-based projects and build interests in the content areas.

We continued a Measure of Academic Progress assessment program for grades 1 through 10 to measure student growth in Reading, Language Usage, and Mathematics to identify each student's strengths and weaknesses. Our Leadership Team will examine and have data meetings with grade-level teams and individual teachers concerning student performance on MAP, PASS, HSAP, SAT, ACT, Odyssey, A+ Software, Dominie, and classroom assessments to establish goals and objectives for ongoing school improvement. The teachers received professional development on creating assessments that are on target with the state standards. The staff was also provided time to share assessments with peers for feedback. A daily enrichment period was scheduled for grades 3-8.

With the available technology such as Smartboards in every classroom on campus, WCS continues to integrate technology into daily instruction. Teachers shared with their peers a variety of instructional and technology strategies and best practices. The use of technology in the classroom was also a focal point on professional development days and mini-sessions were also offered after school for the staff.

We will continue to promote our unique PK-12 setting, use it to the advantage of student achievement, and work toward our mission of providing a safe, nurturing environment and collaborating with families and the community, to prepare all of our students for success.
